IT'S IN THE DETAILS

I sit in the aftermath of a forest burnt two years ago. The once brown, magnificent trees are now black and charred. Everywhere I step emerges dust of ashes. Amidst the monochromatic surroundings, a green leaf falls before my feet. Carefully I examine the leaf: the colors, patterns, the veins, and imagine how each vascular structure transports water and nutrients to the entire leaf, branching out to the whole tree. The leaf is merely one part of a whole and has this many details! Our Heavenly Father loves us so profoundly that He crafted everything with such intricate details.

"I knew you before I formed you in your mother's womb. Before you were born, I set you apart ..." Jeremiah 1:5 (NLT)

This is His kind of love - beauty, and purpose in everything and everyone.

Look to the details within you: your talents and gifts. Embrace your calling and use your abilities to glorify Him.

COUNT YOUR BLESSINGS

EXECUTIVE DIRECTOR'S MESSAGE

Greeting My Fellow Sisters,

We are almost through summer and halfway through 2023. I pray the year has been good for you. Take a moment to reflect on the blessings in your life. Count your victories, big and small, and thank God for His faithfulness. Remember that He has brought you this far and will continue to guide you on your journey.

"Understand, therefore, that the Lord your God is indeed God. He is the faithful God who keeps his covenant for a thousand generations and lavishes his unfailing love on those who love him and obey his commands."

Deuteronomy 7:9 NLT

May God bless you abundantly as you continue to walk in faith.

With love and prayers,

Maysua Cherrunkong
