Reminder: Power of Prayer

Greetings to our Fellow Women in Christ!
As we welcome the New Year, we celebrate our strength and potential, united in our commitment to growth and improvement as a church family.

GROWTH IN CHRIST

Let us prioritize daily edification through prayer, clearing our hearts and minds as we draw closer to our Lord Jesus Christ throughout the year.

In Philippians 4:4-7, it says, *"Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."*

GROWTH IN OUR COMMUNITY

Please review the year-end reports and save important dates. Strengthening communication is important as a Body of Christ to grow and to expand our mindsets as well as our hearts to one another in Christ.

Giving thanks always to the Lord!

WHO IS THE WMD?

The Women's Ministry Department (WMD) is a dedicated division within the United Christians Liberty Evangelical (UCLE) Church, founded by Tialee Say Cherkong (Mrs. Rev. Chervang K. Vang), who serves alongside her husband, UCLE Founder and Superintendent Rev. Chervang K. Vang. Tialee also founded the Women's Jesus Love Overseas (WJLO) Department. The powerful work of the Holy Spirit inspired both WMD and WJLO. While WMD focuses on national outreach, WJLO expands the ministry's global impact.

WMD Mission: *We, as Christians, have been saved by God, the Almighty, through faith in the Lord Jesus Christ and have been born again and filled with the Holy Spirit, were called out as a body of Christ to propagate the Gospel of the Lord Jesus Christ by all available means, both at home and in foreign lands; encouraging and edifying the body of Christ; establishing and maintaining land or a place of assembly for fellowship and worship God, the Almighty, and in which the Holy Spirit we honor.*

With Rev. Chervang's blessings and the support of the UCLE Main Office, WMD has made significant progress in fulfilling its vision. A key achievement has been its partnership with the Women's Jesus Love Overseas (WJLO) Department, which has been instrumental in building churches, acquiring land, and supporting church communities and pastors, particularly in Southeast Asia.

By joining WMD and WJLO (which operates independently from WMD), you, too, can contribute to this mission, reaching people abroad, bringing many to Christ, and transforming lives. To learn more about how you can get involved, please get in touch with us. Together, we can make a lasting impact.

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that all things at all times, having all that you need, you will abound in every good work."

TESTIMONY

As Hurricane Helene hit North Carolina in September of 2024, we all prayed and waited for answers when phone lines came down and a historic disaster unfolded. Flooding, fallen trees, and mudslides endangered countless lives. For days, we could only watch the destruction near our dear families of Christ in North and South Carolina.

HOWEVER A MIRACLE STOOD!

By the Grace of God, our churches still stood tall and lumbering in the midst of the hurricane. And as the days slowly went by we were able to contact our fellow church leaders who reported the safety of all their church members.

As we reflect on both the tragedy and the miracles that occurred, we always remember that the Lord our God is Supreme through it all. May this be a powerful reminder to continue to pray for those who are still affected by this storm and keep the faith in our Lord Jesus Christ. For it is through Him alone we find hope and assurance.

(Mrs. Rev. Solomon)
UCLE Eastern

*"As the roads cleared and we were able to finally reach our destination, we came upon the scene of our church untouched. Homes were flooded, trees were down, power was out & internet lost for days, even weeks, but yet, not a single piece of debris, leaves or twigs fell around our church. It was a **miracle** that our church was not touched by the hurricane."*

"Thank God! Everyone is safe. The church experienced only minor water damage, and all members are unharmed."

Join us to support God's servants!

Dear Friends,

When we love and support God's servants, we honor Him who sent them. How have these servants touched your life, and how can you express love and honor to those who support you?

“And if you give even a cup of cold water to one of the least of my followers, you will surely be rewarded.”

Matthew 10:42
